The contestants are split into two teams by a temptation-challenge winner, whose choices come under fire from other players. The teams pull trucks and load crates onto the vehicles for a challenge that ends with a puzzle. Later, the contestants work ... The players compete in a 30-minute cook-off, which requires them to prepare an appetizer, entrée and dessert using only 12 ... The contestants visit home and must continue dieting and exercising while away from the ranch. Soon after arriving, the players ... The teams are dissolved as eliminated contestants return to vie for spots back on the ranch. One player is chosen through a vote ... The players go to Dallas to run a 5K at the Cotton Bowl and recruit locals to join them for the race. Later, a contestant wins ... The players have a chance to win immunity by becoming the first competitor to lose 2 percent of his or her body weight. The contestants eat at a buffet featuring a variety of foods. The player who consumes the most calories wins the sole vote at ...

## 4. Contextual Analysis (Continued)

Continuing our detailed review of The Biggest Loser S9 E7, we examine secondary source materials and community-driven data points:

The contestants receive medical evaluations from Dr. Huizenga, who gives each team a task to illustrate the effects of their poor health. Quarterback Tony Romo takes the contestants on a hike; past winners Helen Phillips and Erik Chopin discuss the challenges of being overweight. The contestants scale a large hill to locate two keys to the gym on the ranch. Those without keys must find ways to work up a sweat. The players travel to Colorado to train like Olympic athletes with help from real Olympians Julia Mancuso, Jeret Peterson, J.R. Martinez. Suze Orman assesses the players' financial health and predicts who will win this season. Also: The contestants balance quarters. The teams are split up into teachers and students. The teachers work out with Bob and Jillian and then must instruct the students. The eliminated blue and yellow teams return to the ranch to try to reenter the competition after 30 days at home. Later, the winner is determined by viewer votes. After viewer votes determine the third finalist, the winner of the \$250,000 prize is crowned in the
